To whom it may concern

We have been working with Studio Primiceri for over a year. They have helped us recover a large debt from a customer who had initially refused to pay.

Studio Primiceri negotiated on our behalf a repayment schedule, which was acceptable to both parties.

Throughout the period of negotiation we found Studio Primiceri helpful, attentive and understanding of our concerns. These concerns were addressed in the final settlement document.

I would have no hesitation in recommending Studio Primiceri for similar debt recovery work.
